

# MPT earthtone Limebuster

## Description:

MPT earthtone Limebuster is a 100% acrylic penetrating sealer for unpainted, concrete and cementitious and fibre-cement plaster surfaces. It promotes adhesion of high build acrylic membrane coatings and helps to prevent the onset of efflorescence.

## Features and Benefits:

- Excellent penetration and adhesion to concrete and cement surfaces.
- Strengthens friable cement surface.
- Helps to prevent the onset of efflorescence formation.
- Provides a base for MPT Earthtone finish coats.

## Limitations:

- Do not apply when ambient temperature is below 10°C or surface temperature above 40°C.
- Do not overcoat when concrete is saturated.

## Technical Data:

<b>Resin Type:</b>	100% Acrylic Emulsion
<b>Pigmentation:</b>	Titanium Dioxide
<b>Solvents:</b>	Water
<b>Colour:</b>	Translucent white
<b>Density:</b>	1.05 Kgs/ Litre
<b>Dry-Time:</b>	30 mins Touch, 2 hour sand and overcoat
<b>Coverage:</b>	6m <sup>2</sup> per litre
<b>No. of coats:</b>	One full coat
<b>Packaging sizes:</b>	10 Litre
<b>Flash Point:</b>	None
<b>Thinner:</b>	Water
<b>VOC:</b>	71 g/L

**Technical Data Sheet:**  
**Product No: MPTLB/10L**

### **Surface Preparation:**

All surfaces must be clean, free from dust, oil, grease and other surface contamination.  
For Mineral Plaster: Allow the plaster to set (carbonation) before painting.  
For Concrete/Masonry: Allow a minimum of 28 days before painting.  
Remove any trace of release agents from concrete/tilt slabs.

### **Application:**

Apply one liberal coat, by brush, roller or airless spray at the recommended coverage rate, to a damp surface. To keep brushes and rollers working freely, rinse occasionally with clean water.

### **For Best Results:**

- 1) Dampen/wet plaster surfaces.
- 2) Do not apply Limebuster in direct sunlight.
- 3) Ensure concrete, plaster & other alkaline surfaces have had the appropriate time to set/cure.

**Health and Safety:** (Please refer to Material Safety Data Sheet before using)

**MPT earthtone Limebuster** is essentially non-flammable and non-hazardous.

**KEEP OUT OF REACH OF CHILDREN**
